

# How Do I Find a COVID-19 Vaccine or Booster?

Updated Sept. 15, 2022

## Find COVID-19 Vaccines or Boosters Near You

To find COVID-19 vaccine locations near you: Search [vaccines.gov](https://www.vaccines.gov), text your ZIP code to 438829, or call 1-800-232-0233.

There are several other ways you can look for vaccine providers near you in the United States.

- Ask your **doctor, pharmacist, or community health center**, or visit their website.
- Contact your [state health department](#).
- Check your **local pharmacy's website** to see if vaccination appointments are available. Some pharmacies may offer vaccines to those who walk-in without making an appointment ahead of time.

## If You Are Homebound

- Contact your healthcare provider or your [state or local health department](#) for information about getting a COVID-19 vaccine.
- In many states, you may also dial 211 to connect to essential community services.
- Contact groups that are advocates for people who are homebound or that provide home health services.
  - Call [The Aging Network](#) [🔗](#) at 1-800-677-1116.
  - Search for services by ZIP code with the [Eldercare Locator](#) [🔗](#).
  - Contact the [Disability Information and Access Line](#) [🔗](#) (DIAL) at 1-888-677-1199.
  - Call the hotline for Medicare recipients at 1-800-633-4227 (TTY 1-877-486-2048).

## Scheduling Vaccination Appointments

Most vaccination providers schedule appointments online.

To schedule your COVID-19 vaccine appointment, visit a vaccine provider's online scheduling services. If you have a question about scheduling your appointment contact the vaccination provider directly.

- To verify, reschedule, or cancel a COVID-19 vaccination appointment, contact the location that set up your appointment.
- You **can** get your vaccines at different locations.

CDC **cannot** schedule, verify, reschedule, or cancel a vaccination appointment.

### Learn About Getting Your Vaccine

- Do you need to wait to get vaccinated after getting COVID-19 or getting treatment for COVID-19?
- How can you prepare for vaccination?
- What can you expect during and after your vaccination?
